MALDI-TOF Mass Spectrometry Service

Sample information (please supply as much information as possible)

Sample Name	Solvent (in which sample dissolves)	Matrix for MALDI*	Molecular Formula	Expected Molecular weight	Amount of Sample (estimated weight for solid, concentration for solution)

*Please look into literature on MALDI-TOF analysis of similar compound if you cannot determine the suitable matrix

-Please submit your samples to CYM Chem. Bldg. Rm. G11.

-Service charges apply @ 200 HKD per sample for Chemistry Department, @ 400 HKD per sample for other departments
